

Sargents' "Perennials with Staying Power" Seminar

Saturday 16 March 2019

Plant	Variety	Light	Size (hwxw)	Blooms	Notes
Allium	Summer Beauty	Full Sun	15" x 8"	June-July	Green leaves have a grass-like appearance. Round, dark lavender flowers.
Allium	Millenium	Full Sun	18" x 14"	June-July	Purple-pink flowers on strong stems. Compact clump of thick, glossy green foliage.
Amsonia	Storm Cloud	Full-Part Sun	24-30" x 38-42"	Late Spr - Early Sum	In spring, dark stems emerge from the ground. Olive green leaves with silver veins. Star-shaped, periwinkle blue flowers appear atop the wide, mounding shrub-like habit.
Aster	Alert	Full Sun	12"x15"	Aug-Oct	Crimson-red flowers with yellow centers cover a compact mound of green foliage.
Aster	Purple Dome	Full Sun	18"x18"	Aug-Oct	Deep purple flowers cover a compact mound of green foliage
Baptisia	American Goldfinch	Full-Part Sun	3-3.5'x4.5-5'	Late Spr - Early Sum	Gorgeous, golden-yellow flower spikes rise up above its wide habit. One of the most floriferous Baptisia, producing loads of brightly colored flower spikes for many wks.
Baptisia	Blueberry Sundae				see New
Baptisia	Pink Lemonade				see New
Calamenchta	C. nepeta	Full Sun	12-18"x12-24"	June-Sept	Prefers evenly moist, well-draining soils, but once established can tolerate some drought. May spread in the garden by rhizomes/or self seed. Shear plants to keep neat.
Calamenchta	Marvelette Blue				see New
Clematis	Jackmanii	Full-Part Sun	7-10'x3-6'	Mid-Late Summer	Slightly moist, well-drained soils. These vining plants are best sited where flowering parts of vines are in the sun and the roots are shaded. Need trellis or support on which to grow.
Clematis	Rebecca	Full Sun	6-8'x4'	May, June, Aug	Stunning red 5-7" flowers (will look more purple if in any shade)
Clematis	C. paniculata	Sun-Mostly Shade	10-20'x4-5'	Late Sum-Mid Fall	aka Sweet Autumn. Creamy-white 1" blossoms in profusion from late summer on; late to wake up in spring.
Clematis	Sweet Summer Love	Full Sun - Mostly Shade	12'x4'	Late Sum-Early Fall	A Sweet Autumn clematis in shades of cranberry/violet with hundreds of starry blossoms.
Echinacea	Sombrero Series	A new series of coneflower bred to produce well-branched, sturdy and compact plants that feature a high bud count. They produce large, single flowers with overlapping petals and a large brown core.			
Echinacea	Sombrero Salsa Red	Full Sun	21-23"x16-21"	Mid Sum-Early Fall	
Echinacea	Sombrero Hot Coral	Full Sun	21-23"x16-21"	Mid Sum-Early Fall	
Echinacea	Sombrero Flamenco Orange	Full Sun	23-25"x18-20"	Mid Sum-Early Fall	
Echinacea	Sombrero Baja Burgundy	Full Sun	22-24"x18"	Mid Sum-Early Fall	
Geum	Red Dragon	Full Sun-Part Shade	16-20"x12-18"	Late Spr-Late Sum	A low mound of coarse green leaves, taller branching stems holding frilly double scarlet/orange blooms. Deadhead to encourage more buds to form.
Geum	Totally Tangerine	Full/Half Sun	30"x18"	Early Sum/Early Fall	Warm tangerine flowers on strong, fuzzy stems. Heavy blooming over extended time.
Hemerocallis	Everydaylily Series				see New
Hemerocallis	Happy Ever Appster Series				see New
Hibiscus	Summerific Series	This series has been in development the past several yrs to improve size (more compact) and flower color. Range 3-4' high and wide.			
Iris	Bernice's Legacy				see New
Iris	October Splendor				see New
Iris	Blatant				see New
Iris	Halloween Halo				see New
Iris, Siberian	Sky Mirror				see New
Monarda	Bee Free	Full-Part Sun	15-18"x12-15"	Summer	Deep maroon buds that produce bright purple flowers. Mildew resistant. Flowers loved by butterflies and hummingbirds. Fragrant foliage.
Monarda	Bee Happy	Full-Part Sun	15-18"x12-24"	Sum-Early Fall	Vermillion red flowers cover this compact, bushy plant. Mildew resistant.

Sargents' "Perennials with Staying Power" Seminar

Saturday 16 March 2019

Plant	Variety	Light	Size (hwxw)	Blooms	Notes
Monarda	Bee Merry	Full-Part Sun	12-15"x10-12"	Sum-Early Fall	Coral pink flowers with brown button center. Mildew resistant.
Nepeta	Cat's Pajamas				see New
Nepeta	Cat's Meow	Full Sun	17-20"x12-18"	Sum-Early Fall	A uniform grower, this compact plant stands strong with no flopping. Grows wider to form a broad mound. Flowers are dense and colorful.
Rudbeckia	American Gold Rush				see New
Rudbeckia	Goldsturm	Full-Part Sun	23-29"x18-23"	July-Sept	Bushy, upright clump of yellow flowers with black center. Lush foliage w/ large, wide leaves.
Phlox	Candy Store Series	More compact, highly fragrant flowers and better mildew resistance.			
Phlox	Bubblegum Pink	Full Sun	18-24"x12-18"	July/Aug	Hot pink, fragrant flowers stand on sturdy stems.
Phlox	Coral Crème Drop	Full Sun	20-28"x12-18"	July/Aug	Rose-coral colored flowers with accents of white and deep pink. Highly fragrant.
Phlox	Grape Lollipop	Full Sun	18-24"x12-18"	July/Aug	Reddish-purple blossoms with a flare of white circling a darker center. Highly fragrant.
Salvia	Sensation Series	A dwarf version that creates a mound of foliage loaded with flower spikes. Deadhead to encourage more bloom.			
Salvia	Sensation Rose	Full Sun	12"x12"	Early Sum-Sum	Rose-colored flower spikes. Deer, rabbit resistant. Tolerates clay soils. Drought-resistant once established.
Salvia	Sensation White	Full Sun	12"x12"	Early Sum-Sum	White flowers spikes cover this compact plant. Flowers long lasting, reblooms w/ deadheading.
Sedum	SunSparkler Series	Features brighter flower colors and distinctive foliage and compact growth.			
Sedum	Sedoro Blue Elf				see New
Sedum	Dazzleberry, Lime Zinger, Lime Twister, Cherry Tart				
Sedum	Autumn Joy	Full Sun	18-24"x15-18"	Late Sum-Fall	Sturdy perennial as tough as they come. Clumping foliage displays large, plate-like flower clusters that start pink and then gracefully age to a rosy-russet color in late fall.
Sedum	Autumn Charm	Full Sun	14-16"x18-23"	Late Sum-Fall	A variegated sport of Autumn Joy. Soft gray-green foliage with creamy-white edges. The buds show creamy-white but open to soft pink.
Peony	Coral Charm	Full Sun	28-36"x30"	Mid-Spr/Early Sum	Large, semi-double blossoms open from deep coral buds into bowl-shaped blooms. The glowing coral-peach flowers will fade to pale ivory.
Peony	Eden's Perfume	Full Sun	30"x36"	June	Large pink blooms that are heavily scented. Considered one of the most fragrant peony with a scent of a Damask rose. Blooms are 6-7" across.
Grasses	Calamagrostis brachytricha	Full/Part Sun	4-5'x2-2.5'	Late Sum	A clump-forming grass with bright green leaves. In late summer blooms emerge with a pink tint and fade to cream in the fall. Nicknamed Diamond Grass.
Grasses	C. 'Karl Foerster'	Full Sun	5-6'x3'	Late Sum	A tall, upright clump-forming, cool-season grass. Flowers with a tan, wheat-looking plume.
Grasses	Miscanthus 'Silberfeder'	Full Sun	5-7'x30-36"	Late Sum	Impressive ornamental grass with tall, airy plumes which emerge pinkish-silver and turn silvery-white in fall.
Grasses	Miscanthus 'Oktoberfest'	Full Sun	6-7'x3-4'	Late Sum	A narrow tower of cascading foliage. It dons its fall foliage hues before other maiden grass. Purple-red highlights in the foliage.
Grasses	Panicum 'Apache Rose'	Full Sun	4-6'x26-30"	Late Sum/Early Fall	A sturdy, durable ornamental grass with grey-green leaves that form a strictly upright, dense clump. Rose-colored flower panicles in fall. Leaf tips also take on rose tone in fall.
Grasses	Panicum 'Shenandoah'	Full Sun	3-4'x3-4'	Late Sum/Early Fall	Clumps; kown for its burgundy-colored foliage and pinkish flower spikes.
Grasses	Schizachyrium scoparium 'Blue Heaven'	Full Sun	3-4'x2'	Late Sum-Fall	Known as little bluestem, a native prairie grass. It is known for its long, slender leaves that are lavender-gray-blue and its purplish-bronze flower heads. Most outstanding is its fall color of bronze-mahogany-orange.
Anemone	Robustissima	Full Sun - Half Shade	3-4'x2-"	Late Sum-Late Fall	Soft pink, single, cup-shpaed flowers seem to float above the dark green foliage in late summer to early fall. Needs moisture.

Sargents' "Perennials with Staying Power" Seminar

Saturday 16 March 2019

Plant	Variety	Light	Size (hwxw)	Blooms	Notes
Anemone	Whirlwind	Full Sun - Half Shade	3-4'x24-30"	Late Sum-Fall	Pure white, semi-double flowers, 4" wide, ruffled petals and golden stamens.
Aquilegia	Alpina	Full Sun - Part Shade	18-24"x10-12"	Late Spr-Early Sum (Fall)	Compact native plant with violet-blue bonnet shaped flowers nodding which rise above fern-like foliage on slender stems. May rebloom in fall.
Aquilegia	A. canadensis	Full Sun - Half Shade	2-3'x1-1.5'	April-May	Native spring wildflower with drooping, bell-like red and yellow flowers on thin branched stems above the delicate foliage.
Aquilegia	Nightingale	F Sun - P Shade	1-2'x1'	Spr-Sum	Bi-color flower of purple-blue and white over lacy foliage.
Aquilegia	Dove	F Sun - P Shade	24-28"x24-30"	May-June	Long-spurred, pure white flowers, face upwards over lacy foliage.
Aralia	Gotemba	Shade - Part Shade	5-8'x5'	Late Sum	A sensational tall accent for shade or woodland gardens. Each spring brilliant yellow foliage emerges to form a broad clump, tree-like display. In late summer sprays of delicate white flowers turn into shiny purplish berry clusters against the yellow foliage.
Aralia	Sun King	Shade - Part Shade	3-6'x3-6'	Late Sum	A little smaller than Gotemba, same growing conditions. Bright yellow to chartruse foliage, white flowers that turn to purplish-black berries.
Astilbe	Mighty Chocolate Cherry				see New
Astilbe	Mighty Pip				see New
Astilbe	Delft Lace	Full Sun to Full Shade	2-3'x18-20"	Mid Sum	Apricot-pink flower spikes on bright red stems. The foliage is fern-like, blue-green leaves with red highlights
Astilbe	Red Sentinel	Full-Part Shade	24"x18"	Sum - Mid Sum	Vibrant scarlet plumes above medium-green fern-like foliage and the mahogany red stems compliment the plume color.
Chelone	Hot Lips	Full-Part Shade	2-3'x2-3'	Sum - Fall	Cheerful spikes of pink snapdragon-like flowers over deep green shiny foliage that grows into a shrub-like form. Thrives in shade and moist soil
Chelone	Tiny Tortuga	Full-Part Shade	1.5-2' tall	Sum - Fall	Same as Hot Lips but smaller/shorter version.
Cimicifuga	Black Negligee	Part-Full Shade	4.5-5'x30"	Late Sum	Beautiful purplish-black foliage and white flower spikes that are very fragrant. A beautiful statement in the shade garden. It needs moist soils.
Cimicifuga	Hillside Black Beauty	Part-Full Shade	4.5-5'x30-36"	Late Sum	Dark green foliage with purplish-black highlights. Has same growth habit as Black Negligee.
Dicentra	Gold Heart	Full - Part Shade	2-3'x18-24"	Spring	Beautiful plant in the shade garden. It brightens up the darkest corner.
Dicentra	Valentine	Full-Part Shade	24-30"x24-30"	Spring	Sweet airy tendrils of red, heart-shaped flowers on deep red stems, handsome purple-hued foliage.
Dicentra	Luxuriant	Full - Part Shade	12-18"x12-18"	May-Oct	Compact plant with blue-green, fern-like foliage; many stems of pink, heart-shaped flowers.
Ferns	Maidenhair Fern	Shade - Part Shade	2-3'x2'		Native fern found in woodlands; pretty and delicate-looking. These ferns grow outward in a flat, fan-like position. Likes moist soils.
Ferns	Ghost Fern	Full - Part Shade	2-3'x18-24"		Silver-green fronds that grow in an upright manner. Each frond has a deep purple mid-rib.
Ferns	Japanese Painted Fern	Shade - Part Shade	1-3'x1-2'		Beautiful mounds of dramatic foliage - blue-green fronds edged in silver with a deep purple mid-rib. Some varieties have plum-purple fronds edged in silver. A beautiful accent plant.
Ferns	Ostrich Fern	Part - Full Shade	3-8'x3-5'		Best used as a backdrop plant in the shade garden. Really likes moist, wet soils.
Ferns	Cinnamon Fern	Part - Full Shade	4'x3'		Another large fern reaching 4' high and 3' wide. Dramatic plant that loves moist soils. Fertile fronds are a contrasting cinnamon brown.
Grasses	All Gold, Japanese Forest	Part Shade	18"x18"		A graceful ground cover grass in the shade. Provides texture and movement in the shade garden. Slender stems that hold bright yellow foliage, creating a "bamboo" effect.
Grasses	Aureola, Japanese Forest	Part Shade	18-24"x18-24"		Low mound of arching stems with layers of narrow leaves striped bright yellow and green.
Heuchera	Dolce Series (Apple Twist, Spearmint, Cherry Truffles, Wildberry)				see New

Sargents' "Perennials with Staying Power" Seminar

Saturday 16 March 2019

Plant	Variety	Light	Size (hwxw)	Blooms	Notes
Heuchera	Lemon Love				see New
Heuchera	Timeless Treasure				see New
Hosta	Enterprise				see New
Hosta	Eola Sapphire				see New
Hosta	Stained Glass	Full-Part Shade	16-20"x35-47"	Late Sum	Sturdy mounds of golden-yellow leaves with a wide, steaky-green margin. Flowers are lily-like and fragrant.
Hosta	Waterslide				see New
Ligularia	Othello	Full-Part Shade	2-3'x1.5-2.5'	Late Sum	Mostly grown in shade gardens for its large, long-stalked, leathery, dark-green leaves with bright purple-red undersides. Yellow, daisy-like flowers on a large stalk. Impressive.
Ligularia	Bottle Rocket	Full-Part Shade	27-33"x23-27"	Late Sum	Large, serrated, dark green leaves with chocolate-brown flower stems that hold beautiful mustard-yellow flowers in a spike formation.
Polygonatum	Ruby Slippers				see New
Polygonatum	P. variegatum	Part-Full Shade	2-3'x9-12"	Late Spr - Early Sum	Shade-loving perennial with slightly arching stems covered with sweetly-scented, vase-shaped, creamy-white flowers tipped with green in late spring to early summer.
Pulmonaria	Raspberry Splash	Part - Full Shade	9-12"x12-18"	Early Spr	Features upright silvery-blotched leaves with bright, raspberry-pink flowers in early spring.
Pulmonaria	Trevi Fountain				see New
Thalictrum	Black Stockings	P Shade - F Sun	47-70"x18-23"	Mid Sum	Lacy foliage resembles Columbine. Tall, near-black stems bear huge clusters of lavender flowers.
Tiarella	Sugar & Spice	Part-Full Shade	8-12"x8-12"	April-May	Small to med-sized, mounding, pale-pink bottlebrush flowers, and divided green leaves with dark centers. Flwrs fragrant. Leaves resemble maple leaves in shape.
Tricyrtis	Miyazaki Hybrid	Full-Part Shade	18-24"x18-24"	Aug/Sept	Unique, mini-orchid-looking flowers. Flowers are white to pale lilac with dark purple spotting. All parts of this plant are hairy. Narrow green leaves on arching branches.
